2	Blasts at 11:30 a.m., no afternoon session.
2	Blasts at 7:30 p.m., Fire Department meeting.
1	Blast, water to be shut off in thirty minutes.

Notice

Brush fire, chimney fire, and all outside fire alarms are to be telephoned to the Alton operator, who will sound the proper alarm, and notify the proper authorities. This will be done by means of a control box now in the central office. State clearly the nature, extent and location of the fire. By complying with the above much time and property may be saved.

INSTRUCTIONS FOR OPERATING A BOX

Opening a box does not sound alarm: Pull down handle. Anyone sounding alarm to remain at box to direct firemen. Second alarm to be sounded by order of the chief engineer only. Test alarm every day at 12:45. Do not sound alarm unless necessary.

WARRANT

STATE OF NEW HAMPSHIRE

To the Inhabitants of the Town of Alton, in the County of Belknap, in said State, qualified to vote in Town affairs:

You are hereby notified to meet at the Town Hall in said Alton on Tuesday, the ninth day of March next, at nine o'clock in the forenoon, to act upon the following subjects:

Article 1. To choose all necessary Town Officers for the ensuing year, and to elect a Selectman for three years, one Library Trustee for three years, one Water Commissioner for three years, and one Fire Ward for three years.

You are also notified to meet at the said Town Hall at seven thirty o'clock in the afternoon on the same date to act upon the following subjects:

Article 2. To see what sum of money the Town will vote to raise and appropriate to pay all necessary charges of the Town for the ensuing year.

Article 3. To see if the Town will vote to raise and appropriate the sum of \$6,000.00 as a salary for a Superintendent of Public Works, and authorize the Selectmen to appoint and hire a Superintendent of Public Works in accordance with public law, to be given charge of the construction, maintenance and repair of highways and bridges, maintenance and repair of sidewalks with all powers and duties as provided in Revised Statutes Annotated Chapter 245, Section 6, and, in addition, to be given charge of public dumps, public parks and cemeteries, public beaches, public forests, public playgrounds, and shade and ornamental trees, and who may also be designated Superintendent of the Alton Water Works.

Article 4. To see if the Town will vote to raise and appropriate a sum not to exceed \$8,500.00 for

the purpose of rebuilding and resurfacing with Tarvia the Town gravel roads, so called, and to authorize the Selectmen to borrow against the credit of the Town the said amount on long term notes or bonds.

Article 5. To see what sum of money the Town will vote to raise and appropriate for the repairs of highways and bridges for the ensuing year in addition to that required by law.

Article 6. To see what sum of money the Town will vote to raise and appropriate for the removal of snow from the Town Highways for the ensuing year.

Article 7. To see what sum of money the Town will vote to raise and appropriate for the purchase of Tarvia and application of same.

Article 8. To see if the Town will vote to raise and appropriate the sum of \$1,187.61 provided the State will contribute the sum of \$7,917.43 for Class V roads, so called.

Article 9. To see if the Town will vote to authorize the Selectmen to borrow monies in anticipation of taxes.

Article 10. To see what sum of money the Town will vote to raise and appropriate for the maintenance of the Public Library.

Article 11. To see what sum of money the Town will vote to raise and appropriate for the decoration of Soldiers' graves.

Article 12. To see what sum of money the Town will vote to raise and appropriate for patriotic exercises on Independence Day.

Article 13. To see if the Town will vote to raise and appropriate the sum of \$654.78, which is 1/100th of 1% of the assessed valuation of the Town, to the Lakes Region Association for the purpose of publicizing and promoting the natural advantages and resources of the Town.

Article 14. To see if the Town will vote to raise and appropriate the sum of \$1,300.00 to the Alton-

Alton Bay Chamber of Commerce for the purpose of publicizing and promoting the natural advantages and resources of the Town.

Article 15. To see if the Town will vote to raise and appropriate the sum of \$250.00 for spraying trees along the Town highways.

Article 16. To see if the Town will vote to raise and appropriate the sum of \$200.00 to be expended under State supervision for the control of White Pine Blister Rust. (By request)

Article 17. To see if the Town will vote to raise and appropriate the sum of \$550.00 for the control of the Dutch Elm disease.

Article 18. To see if the Town will vote to raise and appropriate the sum of \$500.00 for the support of the Huggins Hospital at Wolfeboro, New Hampshire.

Article 19. To see if the Town will vote to raise and appropriate the sum of \$250.00 for the support of the Laconia Hospital at Laconia, New Hampshire.

Article 20. To see if the Town will vote to raise and appropriate the sum of \$4,934.00 as a salary for the bookkeeper.

Article 21. To see if the Town will vote to raise and appropriate the sum of \$2,992.00 as a salary for the person on duty as operator of the Fire and Police phones.

Article 22. To see if the Town will vote to raise and appropriate the sum of \$1,800.00 for the purchase of a new Police cruiser and to authorize the Selectmen to borrow the above sum of money against the credit of the Town on long term notes.

Article 23. To see if the Town will vote to raise and appropriate the sum of \$6,690.00 for parks and playgrounds including band concerts.

Article 24. To see if the Town will vote to raise and appropriate the sum of \$100.00 for Civil Defense.

Article 25. To see if the Town will vote to raise and appropriate the sum of \$1,200.00 to publish, in booklet form, a history of Alton as purchased by the Town in 1962.

Article 26. To see if the Town will vote to raise and appropriate the sum of \$11,000.00 for the purchase of a new Fire truck and to authorize the Selectmen to borrow the above sum of money against the credit of the Town on long term notes.

Article 27. To see if the Town will vote to eliminate Section 9 under heading "Parking Regulations" in ordinances adopted by the Town of Alton entitled "Highway and Traffic Regulations in the Town of Alton", approved and adopted July 26, 1950, and insert in place thereof the following new section, "Any person violating any of the foregoing regulations shall be subject to a fine of not exceeding \$5.00".

Article 28. To see what action the Town will take towards requiring permits for roadside signs and billboards.

Article 29. To hear the reports of agents, auditors, committees or officers here-in-before chosen and to pass any vote relating thereto.

Article 30. To transact any other business that may legally come before said meeting.

Given under our hands and seal this twenty-second day of February, 1965.

REPORT OF THE FOREST FIRE WARDEN

AND YOUR DISTRICT CHIEF

The 1964 forest fire season surpassed the record year of 1963 in both length and severity. For the second successive year, we experienced a rainfall deficiency of more than ten inches and the compounding of such drought conditions, together with the many days of strong, dry winds, characterized 1964 as one of the most hazardous years in the past half century. Although our fire season was three weeks longer than that of 1963, the number of fires showed only a slight increase and more remarkable was the fact that the area burned dropped from 2,280 acres in 1963 to 900 acres in 1964. Early detection and rapid response kept many potential fire disasters from becoming reality. We all owe a debt of gratitude to the men in this community who responded and fought our fires so efficiently. Our state is now 86 % wooded and its economy — both industrial and recreational — is greatly dependent on this forest resource. The responsibility for adequate fire protection of this great area — 4,350,000 acres — is everyone's responsibility and prevention is one of our most effective tools.

Prevention is good common sense.

1. Take your rubbish to the town dump. If you must burn, obtain a permit and watch your fire until it is dead out.
2. Instruct your children in fire safety. Keep matches from young children. Explain to them the dangers of lighting matches and making outdoor fires.
3. Be sure discarded smoking material and matches are out.

A major portion of our preventable fires this year are chargeable to three causes: (1) permit fires allowed to escape; (2) children playing with matches; and (3) smokers.

Let's be mindful of the fact that all such fires endanger property and lives.

We wish to thank you for your very fine cooperation during the past five seasons and with your continued cooperation we are confident that we can improve our fire record in 1965.

Number of Fires and Burned Area in 1964

State: Fires—886; Area-Acres—875

District: Fires—87; Area-Acres—95¼

Town: Fires—3; Area-Acres—12¼

Permits Issued—148

Respectfully submitted,

IVAN E. SCRANTON

District Chief

HAROLD E. PRIME

Warden

POLICE CHIEF'S REPORT
ALTON POLICE DEPARTMENT FOR 1964

Average Annual Daily Traffic for the year. Information furnished by the State of New Hampshire Department of Public Works and Highways.

	NH 11		NH 28
Year	AADT*	High Day	AADT*
1954	1228	NH 11	1013

ALTON WATER WORKS REPORT — 1964

In the early summer of 1964 the New Hampshire Highway Department contacted the Water Commissioners and stated that the well at the Harold Drew property was contaminated with salt and that the State would pay the sum of two thousand dollars toward furnishing this property with Town water. The Water Board and the Selectmen tested the area for water pressure and jointly decided to accept this offer. A six inch cast iron pipe was installed to serve this area with a hydrant at the end of the line. This line is serving seven consumers at the present time.

The area authorized at the 1964 Town Meeting on Bay Hill was not approved by the Selectmen for Spring installation and in July when the extremities of this area ran out of water as the Commissioners reported to you might happen this work had to be done in the summer season. It was jointly decided to install a six inch cast main pipe for this instead of the authorized 2 inch pipe as the route of this line can be used for the permanent year round line for the East Side when extended further.

The new six inch cast iron pipe authorized for Pine Street near the School was installed for a distance of approximately three hundred feet with a new hydrant at the end of school parking lot.

Although we had a severe drought during 1964 and supplied a great deal of water to people depending on wells

plus a heavy demand by our customers, we had no problems with our wells, pumps or distribution system. We did not have to run either pump all twenty-four hours to maintain a good supply of water.

Respectfully submitted,

ALBERT BARNES

Cash on hand, December 31, 1964	\$ 183.42

In addition to the above expenditures, the Town spent \$7,275.29 for the following:

Extension to Harold Drew's Residence (745 feet)
 Replace main to Dutch Property on Bal Hill (500 feet)
 Extend 6" main on Pine Street (240 feet)

Of the \$7,275.29 spent, the Town was reimbursed as follows:

\$2,000.00 from the State Highway Department towards the Harold Drew Extension.

\$3,500.00 from a bonded note. The Water Company will pay the principal and interest on this debt (as with other water notes) by a year end payment to reimburse the Town for payments it has made during the year.

This leaves a balance of \$1,775.29 owed the Town by the Water Company which is carried as a liability of the Water Company in its balance sheet.

AUDITOR'S CERTIFICATE

This is to certify that we have examined the books, vouchers, bank statements and other financial records of the Tax Collector, Town Clerk, Treasurer, Municipal Court, Trustees of Trust Funds and Town Officers Surety Bonds for the Town of Alton, New Hampshire, for the year ending December 31, 1964 and find them correct in all respects

CHARLES H. JONES

Building Inspector

REPORT OF ALTON FIRE DEPARTMENT

Our only serious fire was that of Clyde Claflin and Charles Woollett. I wish to thank everyone that helped. It was a good stop, even though we had our troubles.

I wish to report that as of July 1st, four radios will have to be taken out of service because of new regulations from F.C.C. They are too old and cannot be made to meet new specifications.

Our old Chevrolet tank truck is in *very bad* condition. The tank leaks so that it takes six weeks to seal the leaks after it has been used. This truck rolls to every fire; so I urge you to replace it this year. The rest of the equipment is in good condition.

Respectfully submitted,
WESTON E. ALDEN
Chief

HIGHWAY AND TRAFFIC REGULATIONS IN THE TOWN OF ALTON

In accordance with the authority conferred upon Selectmen of Towns by Revised Laws of New Hampshire 1942, Chapter 59, Section 15, and Revised Laws of New Hampshire 1942, Chapter 66, Section 13, paragraphs VII and VIII, relative to the use of public highways, the following regulations are hereby promulgated and adopted:

1. No person shall deposit, or permit or allow to be deposited upon any street or public way in the Town of Alton any waste, rubbish, can, bottle or other waste material whatever.
2. Any person transporting waste material and/or rubbish of any nature whatever upon any street or public way in the Town of Alton shall employ

proper, effective and suitable means to keep same confined to said vehicle.

3. Any person violating either of the above regulations shall be fined not more than \$10.00.
4. Police Vehicles, Fire Department Vehicles, U.S. Mail Vehicles, Police Patrol Ambulances and all Vehicles composing a funeral procession, shall have the right of way in any street or public way and through any other type of procession in the Town of Alton.
5. The operator of any motor vehicle being operated upon any street or public way in the Town of Alton, shall, upon the approach of any fire apparatus, police vehicle or ambulance, and upon timely warning therefrom, or upon the sounding of an alarm upon the fire alarm system duly established in the Town, immediately draw his vehicle to the right of the highway and bring said vehicle to a full and complete stop.
6. Upon approaching any intersection of highways in the Town at which there has been duly erected a regulation stop sign, the operator of a motor vehicle shall bring his vehicle to a full stop before entering said intersection.
7. The owner, or person in possession and control of any motor vehicle shall not park continuously or permit said vehicle to be continuously parked upon the streets of the Town between the hours of 8 P.M. and 7 A.M. on the following day when said parking will interfere with the removal of snow from said streets or unreasonably interfere with the usual traffic thereon.
8. Authority for the direction and control of traffic on the streets and highways in said Town shall be

vested in the Police Department and all pedestrians and motor vehicle operators using said streets and highways shall properly respond to and comply with any and all signals and directions given by any officer of the Police Department in the performance of his official duties under this section.

9. No person shall injure, destroy, remove or deface any official sign, or the post or object upon which the same may be erected or attached, or any signaling device placed or erected in or upon any street or public highway in the Town for the direction or control of traffic thereon.
10. No person shall operate a motor vehicle on the streets or public ways of the Town or cause the said vehicle to be operated so as to run over or upon any fire hose laid in a street or highway.
11. No person shall ride a bicycle upon that portion of the street or highways in the Town reserved for sidewalk purposes.
12. The Street at Alton Bay extending from Busy Corner Store to John's Diner is hereby designated as a one way street — traffic on said street to be regulated by appropriate signs posted at the termini thereof. No person shall operate a motor vehicle upon said street except as directed by said traffic directional signs.
13. The street at Alton Bay extending from the Busy Corner Store to John's Diner is hereby restricted to traffic by pleasure vehicles only. No person shall operate a bus or truck or other vehicle not a pleasure vehicle upon said street.
Any person violating any of the provisions of this section numbered 4 to 13, inclusive, shall be subject to a fine not exceeding ten dollars.

PARKING VIOLATIONS

1. No person in charge of a motor vehicle shall park the same, nor permit said vehicle to be parked, upon any cross walk or sidewalk or in such a manner as to obstruct any private driveway in the Town.
2. No person in charge of a motor vehicle shall park the same, nor permit said vehicle to be parked nearer than fifteen feet to the fire apparatus exit at the fire station at Alton and the fire station at Alton Bay.
3. No person in charge of a motor vehicle shall park the same or permit said vehicle to be parked nearer than five feet to any fire hydrant in the Town of Alton.
4. No person in charge of a motor vehicle shall park the same or permit said vehicle to be parked with its left side to the curb on any street in the Town of Alton.
5. No person in charge of a motor vehicle shall park the same or permit said vehicle to be parked on the North side of Mitchell Avenue at any time.
6. No person in charge of a motor vehicle shall park the same or permit said vehicle to be double parked in the business section of Alton Village or the business section of Alton Bay. This provision shall not apply to trucks in the process of loading or unloading goods, wares or merchandise.
7. No person in charge of a motor vehicle shall park the same or permit said vehicle to be parked in any marked parking area in the Town of Alton other than in accordance with said parking markings.

8. No person in charge of a motor vehicle shall park the same, or permit said vehicle to be parked at any time upon that portion of the highway extending between the southwest corner and the southeast corner of the Busy Corner Store property, occupied by Busy Corner Store and the Post Office at Alton Bay. Said no parking area shall be designated by appropriate "No Parking" signs.
9. Any person violating any of the foregoing regulations shall be subject to a fine of 25c for the first offense, 50c for the second offense, and 75c for the third offense. For each offense in excess of three offenses in any one calendar year said offender shall be subject to a fine of not exceeding ten dollars.

Approved and adopted, July 26, 1950

Recorded, July 28, 1950

Selectmen of Alton

ETHEL W. MORRELL

Town Clerk of Alton

The Following Was Accomplished Under The

TOWN ROAD PROGRAM — INITIATED IN 1961

1. Hot top was applied by William J. Vickers & Son, Inc., along the length of the new sidewalk which leads to the Baptist Church. This was done to establish slope and drainage to the edge of the State Road. A total of about 67 tons of hot top was used.

2. Hot top was applied by William J. Vickers & Son, Inc., and by the town on Bay Hill Road from Ruben Quitt's driveway to the last driveway up the hill leading to James Cook's trailer park. This covered a distance of 420 feet by 24 feet in width, including ditches. Town equipment was assisted by Herbert Card's roller in applying the hot top. Before the hot top could be applied the road required shaping up and 64 feet of culvert metal pipe was emplaced. Vickers used 99.2 tons and the town 37.3 tons of hot top on this project.

3. A project not anticipated caused the rebuilding of a section of road in East Alton known as Bakeman Road, joining Alton and New Durham. A distance of about 1½ miles was rebuilt. Herbert Gard's dozer was used along with town equipment and labor. Two culverts were emplaced along with ditches for drainage. Fill was hauled and spread from Dr. R. Cannon Eley's pit (225 yds.) and from the town pit (182 yds.)

This project was necessitated by the request of Alice Melanson who has a development at Bear Pond, requiring the rebuilding of the town road not previously passable.

4. On the Old Wolfeboro Road near Norman Jeff's, a section including a bad culvert was excavated, the culvert was relaid with 8 feet added for better width and 150 yards of gravel was hauled and spread. Further along this road 2 metal culverts were removed and replaced by longer and larger metal culverts. This road was widened for considerable distance.

5. On the Power Mill Road near the Alton-New Durham town lines, a section of road including a bad corner was widened and regraded. Also, a large old metal culvert was taken out and a new larger cement culvert was emplaced. Seventy-five yards of gravel was used on this project.

6. Two section of the Old Wolfeboro Road were

tarred. This required 2,300 gallons of penetrating tar and 2,150 gallons of seal coat.

7. A section road known as the Old Range Road leading to Dr. Deane Chamberlain's Animal Hospital was widened to 16 ft., two metal 15" culverts were laid and 126 yds. of gravel were hauled and spread using the grader.

8. On a section of road known as Rand Road in South Alton, leading towards Barnstead (between Welton Pearson's and Barnstead Center), was widened and a 18 inch, 12 foot culvert was laid. 180 yards of gravel was hauled and spread. The bushes were cut along this stretch.

Many of the private road repairs were charged to the Town Road Program and the payment of the related bills was credited to this article.

Respectfully submitted,
MERLE GASSETT
*Road Agent,
Town of Alton*

INFORMATION BOOTH

Labor Day 1964 was the close of the 9th season of the Information Booth at Alton Bay.

Each year more vacationers, tourists, summer and permanent residents visit the booth requesting information and brochures relative to the various tourist attractions in the area and the State and to get maps of which there is a wide choice. Many tourists have said the booth at Alton Bay is the best equipped of any at which they had stopped.

A number of summer and year round residents make annual visits to the Information Booth to select maps and brochures which will assist them in entertaining their families, friends and relatives.

If you have not done this, make it a point to do so this

year. If only to get the latest State of New Hampshire Highway Map and the New Hampshire Recreation Calendar.

Respectfully submitted,
GLADYS E. HOWE
Secretary

RECREATIONAL PROGRAM

The Recreational Program, sponsored by the Town of Alton, with an average daily attendance of 46 children was most successful.

Is is held for a five week period, usually for the month of July through the first week in August from 10 to 3 o'clock in the afternoon.

The morning hours are devoted to organized, supervised play. There are two adults and two high school girls responsible for the supervision of the children.

Wednesday was hobby day. Various trips were planned for Fridays, weather permitting. Some of these were an inspection tour of the Fish Hatchery in New Durham, a hike to the top of Mount Major and a special performance for the group at the Oak Birch Inn, of "Hey There, It's Yogi Bear". Smokey The Bear entertained the children at the playground.

Each afternoon at 1 o'clock the children were transported by bus to Half Moon Lake where they remain until 3 p.m.

Swimming lessons by a Red Cross qualified instructor were available to all who were interested for a three week period.

Any Alton child within the age group of 6 through 12 is eligible to participate in the activities. Younger children, if accompanied by their parents, and older boys and girls,

if they desire, may take advantage of the Red Cross swimming instructions.

The season closed with a cookout at the home of the director.

Parents are cordially invited to visit and watch the activities held at the Alton School playground in the morning or at Half Moon Lake in the afternoon.

Your interest is greatly appreciated.

Respectfully submitted,

ETHEL G. DODGE

Director

*ZONING ORDINANCE and BUILDING
REGULATIONS OF THE
TOWN OF ALTON, NEW HAMPSHIRE*

In order to preserve the beauty and improve the attractiveness of the Town of Alton for residential and recreational homes and to promote health, safety, morals, order, convenience, peace, prosperity, and the general welfare of the community and its inhabitants, the following ordinance is hereby enacted by the said town, pursuant to the authority conferred by Chapter 31 of the Revised Statutes Annotated of the State of New Hampshire and any amendments thereto.

ARTICLE 1

Establishment of Zoning Districts

Section 1. For the purpose of this ordinance the Town of Alton is divided into two zones. Zone A shall comprise the whole town with the exception of Zone B (Recreational zone) is located and described as follows:

ARTICLE 2

General Regulations

Section 1. A building permit shall be required for each new residential or recreational home and for each addition exceeding \$300.00 in cost to any residential or recreational home.

Section 2. A Building Inspector shall be appointed annually by the Board of Selectmen, and he shall be the administrative officer of this ordinance.

Section 3. Before a permit shall be issued, it shall be first determined by the building inspector whether the proposed construction conforms to this ordinance.

Section 4. For the purpose of preventing the erection of structures obviously out of place or detrimental to the neighborhood as judged by property values and neighbor-

hood character, no permit shall be issued unless the structure is to present a reasonable appearance, in keeping with the neighborhood, and unless the building is to be finished on the exterior in a permanent manner and is to be painted on the outside whenever the outside is wood or other material customarily painted.

Section 5. When an objection is raised on account of the appearance of a proposed structure as above indicated by a person or persons residing either permanently or seasonally in a house within a radius of 500 ft. of the property in question, the Board of Appeals shall hold a public hearing to receive evidence on both sides and shall have the authority to decide whether the permit shall be issued or not.

Section 6. There shall be a \$2.00 charge for building permits plus fifty cents for each \$1,000.00 of construction cost.

Section 7. No land shall be used for a motor vehicle junk yard or for a dump or for the storage of abandoned vehicles or discarded materials of any kind, in a manner that is disorderly, unsightly, noxious or detrimental to the public or prejudicial to the general welfare.

Section 8. Nothing in this ordinance shall be construed to prevent continuance of any existing use of land or buildings.

ARTICLE 3

Building Regulations - Zone A

Section 1. Every new building shall be set back from the street line a distance as shall conform to the line of the existing buildings on adjacent property. All new buildings shall be set back not less than 25 feet from the front line, 15 feet from the side and not less than 10 feet from the rear property lines.

Section 2. Foundation shall be constructed of concrete,

brick, cement blocks, stone, or reinforced concrete piers on suitable footings below the frost line.

Section 3. Buildings must be framed according to good building practices and outside walls shall be finished with wood, fire resistant shingles, sidings, clapboards, brick, stucco, concrete, or cinder blocks.

Section 4. The roof of every building erected or recovered, in whole or part, shall be covered with non-combustible or fire resistant materials. This will not prohibit the use of wood shingles in repairing any roof now covered with wood shingles.

Section 5. Chimneys shall be constructed of stone, brick, cement blocks, cinder blocks, or cement to the frost line. Each shall be lined with flue lining and extend two feet above the roof to which it belongs. Interior chimneys shall be so constructed as to provide 1 inch clear space on all sides. No smoke pipe shall be within 12 inches of any combustible floor or ceiling unless amply protected with non-combustible material.

Section 6. Matters regarding good practice or safe building design not specifically provided for in this ordinance shall be governed by recommendations of the National Building Code as recommended by the National Board of Fire Underwriters.

Section 7. Every new building or addition to existing buildings must be completed as to its exterior within a reasonable period of time after its commencement.

Section 8. Installation of wiring and fixtures for electricity in buildings must comply to general good practice with reference to the National Electric Code.

Section 9. Installation of plumbing must comply with New Hampshire state statutes and regulations. Sewage must be disposed of in septic tanks of proper size and their

location and drainage systems shall comply with New Hampshire state statutes and regulations.

ARTICLE 4

Building Regulations - Zone B

Provisions of Zone A shall be applicable to Zone B except in the following respects:

Section 1. All new buildings shall be set back not less than ten feet from the side and rear property lines.

Section 2. Foundations shall be constructed of concrete, brick, stone, cement blocks, cinder blocks, or concrete piers on suitable footings below the frost line.

Land Regulations: Zone B

All lots used for recreational or Summer homes shall contain at least 10,000 square feet with a frontage of at least 75 feet.

Any aggrieved person, corporation or firm may appeal to the Board of Appeals who shall have the same authority as in Article 2, Section 5.

ARTICLE 5

New Developments

Section 1. It shall be the duty of the Planning Board to inspect the site of such proposed sub-divisions, and to require a minimum of 24 feet road way and other areas for common use as will eventually be acceptable to the town for maintenance by the town and approve the same when satisfied that such proposed plans are in harmony and conducive to the general welfare of the town and neighborhood and not detrimental to existing property values.

Section 2. The purpose of this article shall be to provide against such scattered or premature sub-division of land as would involve danger, injury to health, safety, or prosperity by reason of lack of water supply, drainage,

transportation, or any other public service, or necessitate excessive expenditure of town funds for the supply of such services and to provide for the harmonious development of the municipality with property arrangement and coordination of streets within sub-divisions in relation to other existing or planned town streets. Any subdivision of land with plans of roads, lots and so forth under development at the present time shall be exempt from provisions of Article 5.

ARTICLE 6

Board of Appeals

Section 1. The Board of Appeals shall consist of five members and shall be appointed by the Board of Selectmen, one for one year, one for two years, one for three years, one for four years, and one for five years, in the first instance, and each year thereafter the Selectmen shall appoint one member for a five year term.

Any member shall be removable by the Selectmen for cause upon written charges and after public hearing.

The Board's powers and functions shall be as prescribed in Revised Statutes Annotated Chapter 31 and any amendments thereto.

Section 2. The Board of Appeals shall have the following powers:

a. To hear and decide appeals by aggrieved persons where it is alleged there is error in any order, requirement, decision, or determination made by an administrative official in the enforcement hereof or of any ordinance adopted pursuant thereto.

b. To hear and decide special exceptions to the terms of the ordinance upon which such Board is required to pass under such ordinance.

c. To authorize upon appeal in specific cases such variance from the terms of the ordinance as will not be con-

trary to the public interest, where owing to special conditions a literal enforcement of the provisions of the ordinance will result in unnecessary hardship and so that the spirit of the ordinance shall be observed and substantial justice done.

d. In exercising the above mentioned powers such Board may in conformity with the provisions thereof, reverse or affirm, wholly or partly, or may modify the order requirement, decision, or determination appealed from, and make such order or decision as ought to be made, and to that end shall have all the powers from whom the appeal is taken.

The concurring vote of three members shall be necessary to reverse any decision of such administrative official, or to decide in favor of the applicant on any matter upon which is required to pass under any such ordinance, or to effect any variation in such ordinance.

ARTICLE 7

Enforcement and Penalty

Section 1. Upon any well-founded information that this ordinance is being violated the Selectmen shall take immediate steps to enforce the provisions of this ordinance.

Section 2. Whoever violates any of the provisions of this ordinance shall be punished, upon conviction, by a fine, not to exceed \$10.00 for each day of violation.

ARTICLE 8

Amendments

The provisions of this ordinance may be amended or changed at any regular or special Town Meeting by a majority of the voters present as provided by public laws.

ARTICLE 9

This ordinance shall take effect upon its passage.

B. REPORT OF SUPERINTENDENT OF SCHOOLS

To the School Board and the Citizens of Alton :

I respectfully submit my fourth annual report as your Superintendent of Schools.

STAFF

Faculty changes for the 1964-65 school year include the following new staff members :

Mr. Richard Cilley, graduate of Keene State College and Stout State College, Menomonie, Wisconsin, was employed as Principal, replacing Mr. Matthew Flaherty who resigned to accept a Principalship in South Berwick, Maine.

Mrs. Eleanor Mathews, a graduate of the University of New Hampshire, replaced Mr. Selden Hadley.

Mr. Charles Marshall, graduate of the University of New Hampshire, replaced Mr. William Peterkin.

Mr. Raymond Plante returned after a year at Atlanta University, replacing Mr. Donald Jones.

Mr. William Quigley, graduate of the University of New Hampshire, replaced Mr. Edwin Chamberlain.

Miss Teresa Peterson, graduate of the University of New Hampshire, replaced Mrs. Eugenia Chamberlain.

Mrs. Rachel Bushey, graduate of the University of New Hampshire, replaced Miss Joan Converse.

This represents seven changes in personnel during a single year out of seventeen full time professional staff members. The turnover of teaching staff in the Alton schools is most serious and should be corrected, if possible.

The task of employing qualified staff becomes more difficult every year. One of the major causes of teacher loss over the past several years can be attributed to salaries, as most teachers who have resigned from small dis-

tricts similar to Alton have in every instance improved their salaries by moving. The children of Alton have an exceptionally fine facility in their new building, modern equipment and adequate teaching materials. This facility and equipment can only be utilized to its fullest with competent teachers who will remain in the service of our children without annually looking to "greener pastures".

Serious consideration should be given to the adoption of a single salary schedule that will be competitive with our New Hampshire and Massachusetts neighbors. To continue to ignore this situation can only result in continued loss of experienced teachers which, in turn, seriously effects the educational program of your schools.

SPECIAL EDUCATION

For the past three years Alton children have been attending Special Education Classes for the retarded in Wolfeboro. These youngsters who are unable to benefit from the standard program are learning skills that some day will enable them to make their own way in society and not be dependent on the town or states. The number of children who qualify for this type of education has grown since Special Classes were founded. The Governor Wentworth District in Wolfeboro has also had more students assigned to their classes from within their own District than in previous years, the result being that Alton children cannot be accommodated next year. The Alton Board is therefore proposing a class in Alton which will handle Alton's needs in addition to whatever number can be encouraged on a tuition basis from Farmington.

The cost of this program may, to some, appear high on a per pupil basis as the classes are small, but the results are high and the cost is far less than if the State had to provide for education of these children at the Laconia State School.

GENERAL OBSERVATIONS

The school plant is, as I have stated earlier, an excellent facility that contains very fine equipment. Our class sizes are small, affording a good pupil teacher ratio. The possible exception could be in next year's first grade which conceivably could have as many as forty children. This should be split into two sections if this happens, or have a full time teacher-aid working with the first grade teacher. The veteran teachers, several who have been with us a number of years, continue to do an excellent job and help maintain some stability which is so important if we are to have any continuity to our program of studies. It is this area at which I implore you to take a most careful look which is the only factor that weakens our system, teacher turnover, teacher salaries, and their relationship.

The curriculum is continually undergoing study and revision whenever necessary. Mr. Raymond Roy, Teacher Consultant, and Principal Cilley have worked tirelessly this year to insure results in this area. You will find their reports outlining curricula and staff in their reports.

In closing, I wish to thank the School Board and Citizens of Alton for their support of the schools and request that each of you continue to provide adequate educational opportunities to the youth of Alton.

Respectfully submitted,

HOWARD F. KELLEY

Superintendent of Schools

C. REPORT OF THE TEACHER CONSULTANT

To the School Board and the Citizens of Alton:

I respectfully submit my first annual report.

CURRICULUM

The term curriculum has been defined variously, depending upon the view which was held concerning its content, purposes, and implementation. At the present time, curriculum is commonly defined by educators as all the learning experiences which are planned and sponsored by the school. Earlier definitions had suggested that the curriculum was the written plan of education for the school children much like the course of study. Other definitions considered the curriculum to be comprised of the "Academic" subjects of the school, thus excluding physical education, art, and other such learning areas.

The staff at Alton has completed written reviews of their courses of study that they are presently using. They continue to meet and discuss problems, new methods, new ideas, and many other topics which will improve the educational program of the students in Alton. The curriculum is undergoing a constant review by each teacher, so it will provide a good learning atmosphere for each individual student at their respective grade level.

Teachers are constantly involved with extension courses and summer school to keep abreast with new methods and materials in various subject matter fields.

Last September, Mrs. Ferry and Mrs. Parker attended the New England Reading Conference at Poland Spring, Maine. The theme for this conference was "Reading for Intellectual Development." The information gained at conferences such as this gives a teacher a new perspective of what is going on in other places. The teachers shared this

information with the other members of the staff. The experience is very rewarding for everyone that is involved.

Curriculum is examined as a dynamic complex which comes into existence in the opportunities for learning which are created and realized in all classrooms.

Traditions, social values, economic factors, international situations, the nature and needs of the student — all contribute to the curriculum as it emerges.

The town of Alton can be proud of its staff members in the Alton school. The children of Alton are being instructed by a group of dedicated and professional persons.

I would like to give my thanks to the School Board, Principal, and Teachers for their help and cooperation during my first year.

Respectfully submitted,

RAYMOND C. ROY, JR.

Teacher Consultant

V. Reports

A. REPORT OF HIGH SCHOOL PRINCIPAL

It is with considerable pleasure that I take this opportunity to report to you about your educational program.

The new high school building was completed enough so that we were able to move in on schedule in September. The contractors were able to complete the rest of the work without disturbing teachers or students. At the time of this writing, nearly all details have been completed and/or corrected.

The new building consists of five cheerful classrooms, furnished most with new furniture, a language laboratory with fifteen booths, a science laboratory with all new furniture and equipment, an industrial arts area for woodworking and metalworking, the home economics room with built-in cabinets and new furniture, an art room which is also used for mechanical drawing, a new business room containing twenty typewriters, six of which are new, and other business equipment, and a spacious, well lighted library.

In addition to these rooms, there is a very modern kitchen furnished with the very latest equipment and spacious storage areas, and a large cafeteria with fold-away tables and benches — enough to seat one hundred and twenty-five students. There is also a guidance room, teacher's room, book storage room, a large general office which includes a walk-in vault, and the principal's office.

Outside of the building, the two large parking areas have been graded and hot-topped, as have two sidewalks and the bus loading area. The rest of the landscaping is nearly complete and will be finished as soon as the weather permits. The final touch to the outside of the building was the addition of a tubular aluminum flag pole with an eagle on top.

The first few weeks of school saw the teachers and students learning their way around the new building. Once everyone was settled, or nearly so, the teachers prepared detailed outlines of their courses of studies and promptly began to re-evaluate their teaching assignments.

The Elementary teachers are presently working, as a committee of the whole, evaluating the entire Elementary Curriculum with the intent of making more efficient or otherwise improving the program of studies.

The High School teachers are about to start an extensive self-evaluation of their individual courses and of the entire curriculum, in preparation for a visiting committee that will evaluate the entire school for the New England Association of Colleges and Secondary Schools.

In addition to these more extensive evaluative studies each teacher is reviewing his or her individual area and getting ready for next year.

We believe that it is imperative for us to keep evaluating and re-evaluating ourselves and our program — to keep up with the changing times — education is an ever-changing field.

Respectfully submitted,

RICHARD N. CILLEY
Principal

VI. Warrant

TENTATIVE SCHOOL DISTRICT WARRANT

THE STATE OF NEW HAMPSHIRE

To the Inhabitants of the School district in the town of Alton qualified to vote in district affairs:

You are hereby notified to meet at the Alton School Gymnasium in said district on the 13th day of March 1965, at 2:00 o'clock in the afternoon to act upon the following subjects:

1. To choose a Moderator for the coming year.
2. To choose a Clerk for the ensuing year.
3. To choose a Member of the School Board for the ensuing three years.
4. To choose a Treasurer for the ensuing year.
5. To determine and appoint the salaries of the School Board and Truant Officer, and fix the compensation of any other officers or agent of the district.
6. To hear the reports of Agents, Auditors, Committees or Officers chosen, and pass any vote relating thereto.
7. To choose Agents, Auditors and Committees in relation to any subject embraced in this warrant.
8. To see what sum of money the district will raise and appropriate for the support of schools, for the salaries of school district officials and agents, and for the payment of statutory obligations of the district, and to authorize the application against said appropriation of such sums as are estimated to be received from the state foundation aid fund together with other income; the school board to certify to

the selectmen the balance between the estimated revenue and the appropriation, which balance is to be raised by taxes by the town.

9. To see if the District will vote to raise and appropriate \$8,700.00 for the purchase of land and buildings adjoining the school property, known as the Dunean property, and to authorize the School Board to execute any and all contracts relating thereto.

10. To see if the District will authorize the School Board to make application for and receive in the name of the District such advances, grants-in-aid, or other funds for educational purposes as may now or hereafter be forthcoming from the United States Government, the State of New Hampshire, or any other Federal or State Agency.

11. To transact any other business which may legally come before said meeting.

Given under our hands at said Alton this 13th day of February 1965.

STANLEY SANBORN, Chairman
GLADYS HOWE
ELLIOT BURBANK
School Board
